NO DISCOMFORT DURING TREATMENT | NO DOWNTIME AFTER TREATMENT

EVOKE

The ultimate facial contouring solution. The Evoke is a clinically proven, FDA approved device that retains the elasticity of the skin and tautness of the jowls in a non-invasive manner. Using radiofrequency technology, the Evoke is capable of penetrating deeper into the dermal layer, encouraging cell turnover, tighten loosen skin, and the burning of facial fat. You can combine this with any other treatment.

SIGNATURE - SO SKIN RECOMMENDED

SoSKIN.
SKINCARE

@SOSKIN.DXB

THE HYDRA

75 MINUTES | AED 900

This medical-grade facial uses patented technology that works like a vacuum to open pores for a deep cleanse and easy extraction of impurities and dead skin cells to uncover a new, fresh layer of skin. The treatment is finished with a hydro-gel mask and LED light therapy. This multi-step treatment is good for congested, tired, and dull skin that needs bringing back to life. It is non-invasive, with no downtime and immediate results.

THE '3IN1' SO SKIN SIGNATURE

90 MINUTES | AED 900

This is a three-step combination of a gentle peel, micro-channeling, or micro-needling. It includes a cocktail of powerful actives and a hydrating hydro-gel mask that soothes all in one session. This multi-step treatment is customised to target your skin concerns to promote overall better skin health and appearance. There is minimal downtime.

ESSENTIALS

THE ESSENTIAL DEEP CLEANSE

60 MINUTES | AED 500

Customised to every skin type, this treatment brightens, hydrates, and nourishes with clinical skincare, including hydroxy acids and botanical skin brighteners. It leaves the skin deeply cleansed with no downtime.

THE ALPHA BETA ACID + ENZYME PEEL

60 MINUTES | AED 600

This superficial peeling duo is fully customised, especially for your skin type and concerns on the day of treatment. It incorporates chemical and enzymatic exfoliants to enhance cellular turnover for immediate and progressive results. There is minimal downtime, with the possibility of flaking and light shedding of the skin.

SPECIALISED TREATMENT

NANO MICRO-CHANNELING

60 MINUTES | AED 850

FINE LINES | DULL & DEHYDRATED SKIN

This gentle procedure creates thousands of micro-channels for deeper penetration of active ingredients (which active ingredients) with no downtime, resulting in an immediate radiant glow.

MICRO-NEEDLING

60 MINUTES | AED 850

FINE LINES + WRINKLES | ACNE SCARS | PIGMENTATION

This is an advanced skin renewal treatment that stimulates collagen production to transform and restore a healthy, youthful appearance and improve overall skin condition, with a cocktail of active ingredients for optimal results. It has minimal downtime and post-procedure guidelines for optimal results.

THE SCULPT, SNATCH + LIFT

75 MINUTES | AED 850

MASSAGE TECHNIQUES | RF TECHNOLOGY | MICROCURRENT

A treatment designed to sculpt and contour the face with no downtime. This treatment will tighten and rejuvenate by flushing out toxins and encouraging natural collagen and elastin production to promote a more youthful complexion.

THE GLO2FACIAL

75 MINUTES | AED 850

EXFOLIATE | OXYGENATE | INFUSE

This deep cleansing treatment generates CO2 bubbles that pop on the skin surface to oxygenate your skin from within, bringing nutrients to the surface. Vitamins and nutrients are infused for the ultimate rejuvenation and healthy glow with no downtime.

SPECIALISED TREATMENT

THE SALMON DNA

60 MINUTES | AED 1100

A skin booster that contains an exosome extracted from salmon spermary, this DNA structure is like that of humans, improving regeneration and elasticity. This treatment has minimal downtime and post-procedure guidelines for optimal results.
