THE SCULPT, SNATCH & LIFT

60 min | AED 750

This advanced anti-aging treatment begins with a cleanse, followed by targeted massage techniques that sculpt and contour the face while stimulating circulation. Micro-current technology works to tone facial muscles and enhance skin firmness, while LED light therapy encourages natural collagen and elastin production. The result is tighter, more rejuvenated skin and a visibly youthful complexion—with no downtime.

THE SIGNATURE CLEANSE*

60 min | AED 600

Customized to every skin type, this treatment brightens, hydrates, and nourishes with clinical skincare, including hydroxy acids and botanical skin brighteners. It leaves the skin deeply cleansed with no downtime.

THE GLO2HYDRA *

60 min | AED 750

This multi-step treatment is for congested, stressed, tired and dull looking skin to bring it back to life for that desired healthy glow. Vacuum suction to open pores for a deep cleanse and easy extraction of impurities and dead skin cells for the ultimate rejuvenation. Non invasive, no downtime with immediate results.

THE ALPHA BETA ACID + ENZYME PEEL*

60 min | AED 750

The famous red carpet facial. An advanced skin resurfacing treatment for all skin types to tackle premature signs of aging encouraging a healthy, youthful appearance and improving overall skin condition with no downtime.

FIRE & ICE BY IS CLINICAL*

60 min | AED 800

The famous red carpet facial. An advanced skin resurfacing treatment for all skin types to tackle premature signs of aging encouraging a healthy, youthful appearance and improving overall skin condition with no downtime.

VITAMIN BOOST INFUSION*

60 min | AED 800

An advanced collagen induction procedure designed to enhance the absorption of professional-grade active ingredients, this treatment works below the surface to improve skin texture and overall skin quality. By stimulating the skin's natural repair processes, it promotes firmer, healthier-looking skin.
